

CAPACITY BUILDING

Helping Hands Consultancy Services empowers NGOs, community groups, and institutions through training, technical assistance, and mentorship to enhance their effectiveness. Our support strengthens program impact, ownership, accountability, and sustainability.

KEY ASPECTS OF CAPACITY BUILDING

- ✓ Needs Assessment – Identifying skill and resource gaps.
- ✓ Leadership Development – Training in strategy, decision-making, and communication.
- ✓ Technical Skills – Workshops on project management, finance, and data analysis.
- ✓ Organizational Development – Enhancing internal systems for efficiency.
- ✓ Mentorship & Coaching – Personalized guidance from experts.
- ✓ Community Engagement – Empowering local participation in development initiatives.

CAPACITY BUILDING SECTORS

- ✓ NGOs – Strengthening strategy, implementation, and impact assessment.
- ✓ International Organizations – Enhancing local partners' project management and ownership.
- ✓ Foundations & Philanthropies – Supporting grant initiatives and high-impact projects.
- ✓ CSR Programs – Improving design, execution, and management of development programs.
